## PROFESSIONAL EXPERIENCE

**Yashworld Products PVT LTD(Full Time)** Surat, Gujarat, India **21 Apr 2025 - Present**

- Designed responsive websites and digital products across desktop and mobile, from user flows and wireframes to high-fidelity UI.
- Designed the Monkis e-commerce website and dashboard, covering product, customer, and admin experiences.
- Designed the HiveStaff mobile app UI, website, and supporting product experiences.
- Designed the HiveMeet dashboard and end-to-end user flows, simplifying complex workflows.
- Designed HiveProperty, a property-listing platform with information architecture, responsive UI, and property discovery.
- Designed HiveLand and other company/client websites with responsive layouts, clear navigation, and content hierarchy.
- Designed an end-to-end inventory management dashboard, structuring complex data and workflows.
- Created user flows and contributed to UX research and usability evaluation based on project requirements.
- Collaborated with developers on Figma designs, interactions, responsive behavior, and implementation.

**Neexly (Contract)** San Jose, Costa Rica **02 Jan 2025 - 28 March2025**

- Designed responsive websites for Neexly and Flip Studio, focusing on information hierarchy, navigation, responsive layouts, and user-friendly experiences.

**Aanatech Software (Internship)** Agar Malwa, MP **29 Aug 2024 -30 Dec 2024**

- Designed responsive landing pages for Aanatech and Musemate.
- Redesigned the Pureblue AI website with improved visual hierarchy and interface structure.
- Designed Slotify, a desktop slot-booking application focused on simplifying the booking experience.
- Created user flows, wireframes, and high-fidelity interfaces based on project requirements.

**Windesign (Contract)** Nagpur, Maharashtra **19 Aug 2024 -30 Nov 2024**

- Redesigned the Oazo app with improved user flows, interface usability, and visual consistency. Created an end-to-end UI kit with reusable components and design patterns.
